

# BUY NOW, PAY LATER

Get your equipment now and make no payments up to six months!

## Defer Your Monthly Payment

Getting new equipment shouldn't leave your bank account empty. With our Buy Now, Pay Later\* program, you can hold off paying for your equipment for up to six months!

This plan allows your equipment to start helping you bring in higher profits before you start paying for it. Save your liquidity and offset any break-in, training, and set-up costs by putting off the first few payments. It makes adding the equipment you need easy and affordable.

## Benefits of Buy Now, Pay Later

Postpone initial payments

Defer payments for 3-6 months

Generate profit before payments start

Offset new equipment expenses
